

Advert Code: MCH.MO.02-2017

**MINISTRY OF HEALTH  
BRUNEI DARUSSALAM**

**Specialty Area: Maternal Health**

**Post** : Medical Officer Grade II  
**Pay Scale** : ( MD16 ) BND\$3885.00 – BND \$ 4675.00 / Month  
**Ministry** : Ministry of Health

**Job Description:**

The Medical Officer will be posted to the Maternal Health Care of the Community Health Services. The Medical officer would be responsible, but not limited to:

- Primarily responsible for looking after antenatal, postnatal and well woman clinics' patients in any of the clinic assigned.
- Provide clinical management and treatment appropriately for the above patients and also patients under shared care with the Obstetrics Department in our tertiary hospitals.
- Perform Pap smears, basic ultrasound and counselling to patients and families

Medical officers will be required to work in any of the government or its affiliate's hospital/ Health centres and where necessary will be required to cover work in related specialties or in hospital other than the primarily assigned workplace. Doctors will also be required to do medical cover duties for major national events and be prepared to be involved in any national disaster.

**Job Requirements:**

- Possess a Primary Medical Degree; MBBS or its equivalent and registrable with the Brunei Medical Board
- Have completed a minimum of pre-registration house jobs and a second post-graduate clinical job equivalent of Foundation training.
- Have a good command of English (IELTS 7; 'O'-level or Higher School Certificate English).
- Having work experience in related specialties such as General Practice or Obstetrics & Gynaecology for 3-5 years is preferred.

**What is expected:**

- Support the core values of the Ministry
- Have good communication skills and must be a team player
- Be kind, caring and show empathy to patients and relatives
- Be prepared to be assigned for work at any time and places required by the service.
- Be familiar with Information Technology and comfortable working using electronic clinical records
- Keen to learn and have own initiatives for self-development (continuing medical education) and are required to show progression in own training within the 3-year contract.
- Be involved in academic, research and audit activities.
- Be proactive; have initiatives to develop and enhance the services
- Be flexible and willing to work hard
