

Advert Code: DERM.MO.02-2017

**MINISTRY OF HEALTH
BRUNEI DARUSSALAM**

Post : Medical Officer Grade II
Pay Scale : (MD16) BND\$3885.00 – BND \$ 4675.00 / Month
Ministry : Ministry of Health
Specialty Area : Dermatology
Vacancy : 1 post

Job Requirements:

- Possess a Primary Medical Degree; MBBS or its equivalent and registrable with the Brunei Medical Board
- Have completed a minimum of pre-registration house jobs and a second post-graduate clinical job equivalent of Foundation training.
- Have a good command of English (IELTS 7; 'O'-level or Higher School Certificate for English).
- Having work experience in Dermatology for 3-5 years after medical degree is preferred.

Job Description:

A Medical Officer in the Dermatology department would be responsible, but not limited, to:

- Sees cases referred on dermatology from other relevant services.
- Conduct out-patients clinics.
- Managing admission of patients for inpatient care.
- provide clinical management and treatment for in-patients
- provision of 24 hour on-call services daily for dermatological emergencies
- Will be assigned to work in any of the government or its affiliate's hospital.
- From time to time may be required to cover work in hospital other than the primarily assigned workplace.

Medical officers will be required to work in any of the government or its affiliate's hospital and where necessary will be required to cover work in related specialties or in hospital other than the primarily assigned workplace. Doctors will also be required to do medical cover duties for major national events and be prepared to be involved in any national disaster.

What is expected:

- Support the core values of the Ministry
- Have good communication skills and must be a team player
- Be kind, caring and show empathy to patients and relatives
- Be prepared to be assigned for work at any time and places required by the service.
- Be familiar with Information Technology and comfortable working using electronic clinical records
- Keen to learn and have own initiatives for self-development (continuing medical education) and are required to show progression in own training within the 3-year contract.
- Be involved in academic, research and audit activities.
- Be proactive; have initiatives to develop and enhance the services
- Be flexible and willing to work hard
