NO	SPECIFICATIONS AND REQUIREMENTS	VENDOR'S OFFER (PLEASE STATE)
1	STREPTOCOCCAL GROUPING REAGENTS	
1.1	Intended Use: Rapid latex agglutination test for identifying streptococcal groups A, B, C, D, F, and G from isolated bacterial colonies.	
1.2	Streptococcal grouping kit (complete set) components: <ul style="list-style-type: none"> a. 6 bottles of latex suspension of each group A, B, C, D, F and G b. Freeze-dried extraction enzyme c. Polyvalent positive control antigen d. Mixing rods e. Disposable agglutination cards 	
1.3	Capacity: Each test kit and reagent bottle is sufficient to perform approximately 60 tests	
1.4	The kit contains all the necessary reagents required to perform the test	
1.5	The test can be performed using colonies grown on Columbia Blood agar.	
1.6	Incubation can be carried out either at room temperature or at 37°C in an incubator	
1.7	Total incubation time should be 10-15 minutes	
1.8	Results can be read visually within one minute or less	
1.9	In a positive reaction, agglutination should be strong and clearly visible to the naked eye, with distinct and well-defined clumping	
1.10	The extraction enzyme solution should either be ready-to-use or reconstituted with sterile distilled water prior to use.	
1.11	The test kit offered shall have high sensitivity and specificity	
2	ENTEROPATHOGENIC <i>ESCHERICHIA COLI</i> ANTISERA	
2.1	Intended Use: Serological identification of cultures of enteropathogenic <i>Escherichia coli</i> using a qualitative slide agglutination method.	

2.2	Reagent Form: Liquid, ready-to-use	
2.3	Volume per Vial: 3mL dropper bottles	
2.4	Storage Conditions: Must be storable at 2–8°C	
2.5	Packaging: Must be leak-proof, clearly labeled with batch number, expiration date, and antigen specificity	
2.6	Must demonstrate high sensitivity and specificity	
2.7	Positive reaction must induce visible, massive and immediate agglutination when mixed with the target strain in saline.	
2.8	The reagent should not induce agglutination with a negative control	
2.9	Test results shall be interpreted within 5 seconds of mixing, with only agglutination observed within this time considered indicative of a positive reaction	
	SERVICE AND AFTER SALES SUPPORT	
3	All reagent test kits / consumables supplied throughout this tender <u>shall</u> have a minimum expiry date of eight (8) months on delivery . Should the reagent or consumable be urgently needed, provision of a reagent test kit or consumable with expiry date of less than eight (8) months should be first agreed by the User of the particular laboratory before delivery is made.	
4	Letter of Undertaking (LOU) shall be produced upon each delivery of test kit or consumable with expiry date of less than eight (8) months and vendor shall declare in the LOU that unused, unopened, expired kits will be replaced accordingly. For items which are known to have short expiry date such as those containing red blood cells, list down all such items and vendor shall declare in this tender submission of such items and shall be exempted from submitting LOU upon delivery.	
5	Staggered delivery every 3 months period directly to the User.	
6	Vendor must enclose the product brochures and manuals, instructions for use (IFU) and MSDS of all the offered items to the user.	

7	International markings: products must be CE marked or equivalent standards that are acceptable to the users.		
8	The vendor shall provide prompt technical support and relevant documentation in the event of any discrepancies related to quality control results, EQA program performance, or clinical specimen outcomes. If a product-related issue is confirmed, replacements must be provided promptly, with all associated costs covered by the vendor.		
9	Vendor shall provide Certificate of Analysis (CoA) for all the reagents with each delivery		
10	User shall have the rights to refuse delivery of items that do not meet the acceptance criteria such as, but not limited to, the following: <ol style="list-style-type: none"> 1. Tampered or damaged box 2. Leakage upon delivery 3. Items stored pre-delivery not in accordance to manufacturer's instructions 4. Expiry date not meeting requirement 		
11	User shall have the rights to return any items, and to be replaced at no extra cost, if found not meeting the acceptance criteria upon opening a pack such as, but not limited to, the following: <ol style="list-style-type: none"> 1. Tampered or damaged packaging 2. Evident of leakage or damaged products 3. Expired products that are evidently less than the requirement mentioned in para 1 calculated from delivery date 4. Leakage upon delivery 		
12	Vendor shall submit samples of the offered items directly to the Users no later than 7 days after the Closing Date of this advertisement or as required by the Users.		
13	FINANCIAL AGREEMENT		
13.1	Supply of the test kit including reagents, consumables and/or accessories is based on the number of kits required in the Purchase Order according to an agreed schedule period as stated in para 5.		
13.2	Buffer stock of the test kit including reagents, consumables and accessories shall be available at the local representative as contingency.		

13.3	Should there be any discontinuity of reagents / consumables due to non-compliance in the manufacturing of reagents; the vendor must be able to provide an alternative so that the test requests / services are still available for the customers.	
13.4	EXIT CLAUSE: The tender contract shall be automatically terminated even though tender has not yet expired and this shall be in effect due to, but not limited to, the following: <ol style="list-style-type: none"> 1. When the testing is no longer required or relevant i.e. test is obsolete, to the laboratory or the Department. 2. When the item(s) set out in this tender is/are no longer required by the laboratory or the Department. 3. When the approved budget allocation for this tender contract has been used up before the tender contract expires whereby a renewal of tender shall be submitted by the user for an open advertisement subject to approval by the Mini Tender Board (<i>Lembaga Tawaran Kecil</i>). 	
14	DELIVERY PERIOD: Preferably 4 – 8 weeks and no later than 12 weeks after issue of Purchase Order	(Yes / No) (If No, please specify)
15	PRICE VALIDITY: The quotation shall remain valid for 6 MONTHS from the final date for the submission of the quotation and no supplier may withdraw his/her quotation within that period. The Government reserves the right to extend this period if deemed necessary provided that such extension to the quotation validity period shall have written consent of the supplier(s).	

* 6 months validity required for <\$50K or 12 months for >\$50K

DELIVERY PERIOD AFTER PO ISSUED	4-8 weeks and no longer than 12 weeks
