Item No.	Description			Qty
2	Requirements			
	Description	Minimum Requirements	Remark	
2.1	Scope of Subscription	The subscription shall include Medi-Span and Lexidrug for use with Bru-HIMS 2.0 for the sites and coverage periods specified in this Tender Form, together with all licensed clinical content, databases, modules, APIs, terminology, drug-mapping components, updates and related services required for the complete and continued operation of the Clinical Decision Support System.	Tenderer to specify all components included in the proposed subscription.	
2.2	Medi-Span Clinical Screening	Medi-Span shall provide automated medication safety screening within Bru-HIMS 2.0, including drug interactions, drug allergies, inappropriate dosage, duplicate therapy, route contraindications and relevant patient-specific precautions.		
2.3	Lexidrug Clinical Reference	Lexidrug shall provide comprehensive and evidence-based drug information, including adult, paediatric and neonatal drug references, drug interactions, drug comparisons, medical calculators and intravenous compatibility information.	Tenderer to specify the clinical references and tools included.	
2.4	Integration and Drug Mapping	The subscription shall include the terminology, drug mapping and related support required to maintain the integration of Medi-Span and Lexidrug with Bru-HIMS 2.0.		
2.5	Clinical Content Updates and Support Services	The subscription shall include all required updates to the licensed clinical content, drug information, screening rules, databases and related components throughout the subscription period. The vendor shall also provide technical and customer support for licensing, access, content and subscription-related issues.	All updates and support services must be included in the subscription price. Tenderer to specify the support channels, operating hours and response times.	

Item No.	Description			Qty
2.6	Access, Coverage and Continuity	The subscription shall cover the hospitals and health centres specified in the Tender Form and support continued access by authorised Bru-HIMS 2.0 users without interruption.	Tenderer must state any site, user, bed-capacity or usage limitations.	
2.7	Subscription Period and Pricing Breakdown	The tenderer shall provide a separate subscription cost for each hospital and health-centre group for Year 1 and Year 2, together with the annual subtotals and overall total, based on the coverage periods stated in the Tender Form.		
2.8	Licence Delivery and Activation	The Medi-Span and Lexidrug licences shall be activated and made available immediately upon issuance and receipt of the official Purchase Order.	Written confirmation of the licence activation date, subscription commencement date and expiry date must be provided.
